Our first visit is the hilltop fortress, **St. George's Castle**, to enjoy stellar views of the city and time to stroll in the beautiful gardens.

Continuing downtown we visit **Bica** and central **Baixa** districts. **Baixa** and **Chiado** are newer parts of the city built after the 1755 earthquake that devastated Lisbon. Here we learn about the city's rebuilding plan that changed the shape of the new Lisbon city center. Free time to circle the majestic **Praça do Comércio** before departing for **Belém**.

Afternoon

Group at **5 Oceans Restaurant** in **Belém**.

Belém, a **UNESCO World Heritage Site**, located on the shore of the **Tagus River** at the entrance to the Port of Lisbon. About 4 miles west of the Lisbon city center, many of Portugal's most famous landmarks are located in this area.

After lunch, we first visit the **Jerónimos Monastery**, dating back to the early 1500s and secularized by state decree in 1833. Besides one the best examples of Portuguese Late Gothic **Manueline** architecture, the Monastery is the home to the tomb of the infamous explorer, **Vasco de Gama**.

Time permitting, we see the **Belém Tower**, a small fortress island on the banks of the river and part of Lisbon's Old World defense system.

Also on the Belém riverfront we see the massive sculpture **Monument to the Discoveries**, depicting **Henry the Navigator** at the helm of a large galleon commemorating the significance of maritime exploration in Portuguese history.

Remainder of afternoon free, return to hotel.

Fado is a distinctly Portuguese musical genre characterized by emotional, passionate and sometimes mournful tunes and lyrics. In 2011, Fado was recognized on the **UNESCO Cultural Heritage List**.

Day 3 Friday May 12

Morning

We depart for the majestic resort town of **Sintra**, a longtime royal sanctuary and summer home for Lisbon's elite. Sintra's mountains, forested terrain, proximity to the ocean and unique *Moorish and Manueline* style palaces define Sintra's breathtaking and one-of-a-kind landscape.

9:00 AM

En route to Sintra, we first visit the **Queluz Palace**. Often overlooked given its relatively small size, this 18th-century palace is one of the last great *Late Baroque* buildings designed in Europe, commonly referred to as the Portuguese *Versailles*. Wide corridors, impressive interiors and far less tourists make this palace an enjoyable first visit.

We continue to the unmatched **Pena Palace** grounds and gardens. This 19th-century Romanticist castle proudly stands alone as a National Monument and **UNESCO World Heritage Site**. Pena Palace's eclectic mix of architectural styles include *Neo-Gothic*, *Neo-Manueline*, *Neo-Islamic* and *Neo-Renaissance*, which all contribute to its whimsical and fairy-tale like appearance. After time to explore the Pena Park, we continue to Sintra's village center.

11:15 AM

Free time to explore the center of town before lunch.

12:30 PM

Group lunch at **Café Paris** in Old Town Sintra with guest speaker.

Day 7 Tuesday May 16

Morning

City tour of Porto. Please remember to wear comfortable shoes!

Located along the **Douro river**, Porto was originally an outpost of the Roman Empire and is today one of the oldest cities in Europe. Not so coincidentally, one of Portugal's famous exports, **port wine**, is named

after the city. In 1703, the **Methuen Treaty** established trade between Portugal and England and the production of port wine gradually fell into the hands of British firms. Even today, the vast majority of port cellars carry their original English names.

11:00 AM

READING BETWEEN THE WINES: An overview of wine laws and regulation in Portugal

Presentation at the *Instituto dos Vinhos do Douro and Porto* (IVDP). In this briefing, we will learn some of the technical terms about wine and understand the most important regulations for winemakers and exporters in Portugal.

Producers are governed by the IVDP, with specific requirements concerning geographic denomination, aging terms, and labeling codes for varietal vs. blends. Topics of **intellectual property, consumer protection, export/import**, and local **real estate law** will also be discussed.

11:00 AM (Alternative for Non-Lawyers)

Morning

HIGHER EDUCATION IN PORTUGAL

We tour the historic University campus and see its famous **Library** reminiscent of *Hogwarts* from the Harry Potter series. We also see the **Faculty of Law**. In existence for over 180 years, the Law School is one of Portugal's most prestigious.

We enjoy lunch at a local restaurant after visiting the **University of Coimbra**.

Time permitting after lunch we continue for a quick stop in **Fátima**, **Caldas da Rainha** or **Nazaré**. Once a sleepy town dedicated to the production of Olive Oil, today Fátima derives the bulk of its wealth and popularity due to religious pilgrimage. Nazaré on the other hand is a fishing village located on Portugal's 'Silver Coast' known for having some of the largest waves suitable only for the most experienced surfers.

Depart for Lisbon & Check in to Lisbon Hotel.
